

**APOLYTIKION OF ST. LAZARUS
WHILE YOU WERE PRAYING**

November 7

Plagal Fourth Tone

S. Takis

Moderato

While you were pray-ing vi-gil prayers, you drenched your
pil-lar with your streams of tears, and with deep
sighs, you made great pains to bear their fruit one-
- hun-dred - fold, and you be-came a shep-herd who be-
- stowed for - give-ness on those who came to you, our
Right-eous Fa-ther, Saint Laz-a - rus. In-ter-cede with
Christ God that our souls be saved.
