

APOLYTIKION OF THE ST. STEPHEN THE YOUNGER  
AS YOU WERE TRAINED

November 28

Fourth Tone

S. Takis, Melody: Ὁ ὑψωθεῖς

As you were trained in self-denial on the mountain,  
you fought the demons in a fight of the spirit,  
and you destroyed them with the armor of the  
Cross, O blessed one, and then in a manful way,  
you prepared for the battle, when you slayed Korymbos  
with the saber of good faith,  
and for these deeds, God awarded you a crown, O righteous  
martyr, the highly praised Stephen.
